Title Slide:

Today we will practice counting to ten with colorful leaves because it is fall and during fall leaves change color!

Slide One:

Count me with me aloud as the leaves appear on the screen. One! Great! There is one leaf!

Slide Two:

Let’s count again! One, Two! Yes, there are two leaves?

Slide Three:

This time I will not count with you! (Students count) Great how many leaves are there? Correct there are three leaves!

End Slide.

Good job! I am so proud of you all because you guys can count up to ten!
